Having proved the efficiency of the NANO products, I have the satisfaction to announce that our company, Rio Import Group S. A. who is the dealership of AUDI, VOLKSWAGEN, SEAT and BMW. we have agreed to market and make use of this environmental nano-technology products of Blister packs (petrol, diesel and ITV) in the Audi stores-exhibition in Barcelona. Across the official distributor High Dimension S.L, appointed by NANOPETROL S.L.

We will ask them to make some model of streamer, which is as advertising of the products , to put in our stores.

D. Pedro Saavedra Roncero
Gerente Grupo Rio Import S.A.
