XUNSN INTERNATIONAL GROUP CO.,LTD.

GUARANTEE OF QUALITY

To: Our customers , Partners, traders and agents

Xunsn International Group Co., Ltd. is a manufacturer and exporter, established under the laws of the People's Republic of China. We mainly produce XSNANO products (XSNano Gasoline Saving Additive, XSNano Diesel Saving Additive, XSNano Heavy Oil additive, XSNano Rolling Lubricant oil additive).

We make the following warranty and service commitments for the products and brands we provide:

- 1. The products we provide are non-toxic and harmless, which will not cause any harm to people. However, due to slight odor, it is recommended not to eat and not to contact the eyes;*
- 2. The products we provide are non oxidizing, non corrosive, which can not harm the engine.*
- 3. The products we guarantee are in full compliance with the international quality standards and technical specifications, as well as the factory's product qualification indicators.*

We guarantee that regular use of our XSNano products will not cause damage to engines and cannot void any warranties. Should any evidence contrary be proven and confirmed by relevant authorities, we will be willing to take the necessary action to resolve the matter.

Our company fully supports the safe use of XSNano products.
